

Taj Amir Al Bahr

About Us

A photograph of a worker in a white hard hat and blue shirt operating machinery. The worker is seen from the side, looking at a control panel with various knobs and buttons. The panel has the 'Canrig' logo and labels like 'TOP DRIVE MODE' and 'LOWER HULL CONTROL PANEL'. In the background, there is a computer monitor and other industrial equipment. The scene is set in an industrial environment, likely an oil field or a construction site.

Since 1998, TAAB Company for general trading, transportation, and Oil fields services have been setting the industry standard for performance and technical innovation in logistics and transportation services.

TAAB is part of a global network of unparalleled Geotechnical resources and expertise, specializing in logistics and warehouse management, Oilfields, Transportation, General constructions, and its supplements.

We have built our reputation by performing the highest quality work and providing the most innovative solutions on the widest range of demanding and high-profile projects. With district offices around the country, TAAB has the capabilities and local expertise to address each region's unique construction needs.
